## 5. Membership Structure

Membership of the French-American Heritage Foundation was established as a means to raise funds to finance and support its mission statement. A membership structure based on the calendar year was set up as a way to solicit donations for the foundation. Three membership categories were established.

Supporting Member: \$25

Sustaining Member: \$100

Sponsor: \$500 and above

The Membership was structured so that 100% of the membership payment is tax deductible. IRS rules state that membership payments are fully deductible where there are no services given to members. The hope is that people will become members on an annual basis because they support the mission statement of the French-American Heritage Foundation.

Although no services per se will be given Members, Members will be given notice of activities, receive regular news by email, and will be given an annual report each year. It is also anticipated that Members will make contributions to the website in the form of articles on French American Heritage, information about their genealogy and family history, and list any websites they know about that deal with French American Heritage. Of course, it is also hoped that members will be willing to volunteer to assist in activities the foundation sponsors in years to come, such as the Franco Fete French Festival.

## 6. 2014 Accomplishments

In 2014 the French-American Heritage Foundation accomplished the following:

1. Maintained and added information to its website. A number of article on French Heritage were added and the following family genealogy books were added: Ancestral Pathways (ancestors of Mark Labine) Aubert Family book, Belisle Family, Chabrier dit Vadeboncoeur, Cote Family, Foley/Fallu/Falleau family book by Jerry Foley, Maria Chapdelaine, Narrative of the Travels and Adventures of a Merchant Voyageur in the Savage Territories of Northern America, Proulx family book, and the Verboncoeur family. The website currently has sixteen articles on French Heritage, including “En Avant”, the story about the film currently being made by Christine Loys about Minnesota’s film connections, the history of Gently, Minnesota, Articles written by Greg Brick about Pigs Eye Fountain Cave and the LeSeur Saltpeter Caves in Minnesota, plus others.
2. Received tax exempt letter from the Internal Revenue Service.
3. Added members to the French-American Heritage Foundation Advisory Committee.

4. Explored the idea of sponsoring a Franco Fete French Festival sometime in the future. The French-American Heritage Foundation is discussing doing a joint venture with other organizations and discussions continue. This is still a future hope of the Foundation.
5. Sponsored two French Heritage Educational events.

**June 28, 2014.** The first event was held on Saturday, June 28, 2014 at the Provence Room at Salut Bar Americain in St. Paul. Dr. Greg Brick, Department of Earth Sciences, University of Minnesota discussed the discovery of saltpeter caves along the Minnesota shore of Lake Pepin by Pierre-Charles Le Sueur in 1700. These caves were recently located and were the subject of his doctoral research at the University of Minnesota. Forty persons registered for this event. The cost for the event was \$30 which included a meal.

**October 3, 2014.** ON October 3rd, the French-American Heritage Foundation and the Alliance Francaise co-sponsored an event held at the Grande Salle of the Alliance Francaise located at 113 N First Street, Minneapolis, Minnesota 55401. There were three presenters at this event. Mark Labine discussed the early French-Canadian settlement in downtown St. Paul and the battle of Kaposia (pronounced Kapoja) which took place on July 8, 1842 in which French-Canadian Settlers spent the night on Raspberry Island in downtown St. Paul to protect themselves from the conflict. Christine Loÿs, documentary film-maker and author will talk about her film about the French Heritage in Minnesota. Martine Sauret, Associate Professor at Macalester College, will talk about Martine Sauret will speak about Nicollet's journal and its disappearance (the original of Nicollet's journal has disappeared but it was read by Jesuit fathers Paul Le Jeune and Vimont. Portions of it appear in the Jesuit Relations.). The cost for the event was \$10 for AF/FAHF members and \$15 for the general public. Wine and refreshments were served.
