
Minnesota with a French Accent

Minnesota's state motto "L'Etoile du Nord" reminds us that from the French Explorers and fur traders of the 18th century and the influx of French-Canadian farmers in the 19th century to a continuing stream of French speaking immigrants, the French have left an indelible mark on Minnesota society and culture. This program, developed by members of the French-American Heritage Foundation, focuses on French history and heritage in our state.
